The Samaritan Center for Counseling & Pastoral Care is a nationally accredited, nonprofit interfaith counseling program that has served the Greater Austin community for 35+ years. It is part of the Samaritan Institute's international network of 400 Samaritan Centers in more than 100 cities in the U.S. and Japan.

With seven locations in Austin, Round Rock, Lake Travis, Georgetown and San Marcos, the Center provides convenient outpatient counseling services for individuals, couples and families, educational programs and consultation for professionals and organizations. Through its comprehensive classes and workshops, the Center serves as a community resource on emotional, spiritual and mental health issues.

The Center is committed to providing professional counseling, consultation and educational services that affirm the spiritual dimension of life without regard to one's ethnic origin, economic status, age or religious affiliation. Through fees, grants and charitable donations, the Center provides more than 10,000 hours of counseling annually.
